HDBC Compliance Report Updated to Version 6.0!

In Jun. 2016, Huaxia Dun & Bradstreet China completed a major update to the entire product family of Compliance Report, optimizing scope of information retrieval, content architecture and appearance design to deliver more professional and friendly experience to users.

The updated Version 6.0 encompasses China Business Compliance Report, China Business Consolidated Assessment Report and China Association Compliance Report, which helps companies understand business partners' compliance risks in a fast and objective manner, adapt to complex regulatory environments and uncertainties to avoid potential adverse influences and losses.

- **Highlights:**
- **Complete screening:** identify regulatory compliance risks by screening adverse media information and public records through multiple local and international channels.
- **Precise positioning:** identify potential compliance risks of target groups and their affiliates through screening their litigation records and adverse media coverage.
- **Rapid judgment:** help clients identify risk points of partners with risk signals and make business decisions based on our prevention and improvement advices out of professional judgment.
- **Holistic analysis:** evaluate credit risks while screening compliance risks, to give clients multi-faceted insights of potential partners to facilitate their business decision.
